O'HARE NOISE COMPATIBILITY COMMISSION RESOLUTION 2007-5

WHEREAS, the O'Hare Noise Compatibility Commission (O'Hare Commission) is an intergovernmental entity whose responsibilities pursuant to the Intergovernmental Agreement Relating to the O'Hare Noise Compatibility Commission (Intergovernmental Agreement) among the City of Chicago and various other municipalities and school districts include directing the further development of the noise compatibility program for the O'Hare Affected Area, establishing criteria for the allocation of Approved PFC's for Approved Projects in the O'Hare Affected Area (as those capitalized terms are defined in the Intergovernmental Agreement), and advising the City of Chicago concerning Chicago O'Hare International Airport related noise issues;

WHEREAS, in September 2005, the Federal Aviation Administration (FAA) issued a Record of Decision (ROD) regarding the O'Hare Modernization Program (OMP), whose implementation will alter the areas affected by aircraft noise, and consequently the particular dwellings impacted by such noise and potential eligibility to receive sound insulation;

WHEREAS, Section 9.1 of the FAA's ROD requires that sound insulation be offered to eligible residences that will be affected by the implementation of the OMP, specifically residences that experience a yearly day-night average noise level (DNL) increase of 1.5 decibels or more within the 65 DNL or greater contour in the OMP Full Build-Out Noise Contour (O'Hare Noise Contour), or which are newly within the 65 DNL or greater noise contour according to the projected O'Hare Noise Contour map;

WHEREAS, the O'Hare Commission is now offering sound insulation to the eligible residences that the FAA has projected will be impacted by the implementation of the OMP, and as required by the ROD, in a process that will require several Program years;

WHEREAS, pursuant to the Intergovernmental Agreement, and as referenced in O'Hare Commission Resolution 2007-4, the O'Hare Commission has identified several owners of homes whose previous owners had declined earlier opportunities to participate in the Program where those homes are now deemed potentially eligible for sound insulation under the O'Hare Noise Contour (Declined Residences), as set forth in O'Hare Commission Resolutions 2006-3 and 2007-4;

WHEREAS, these Declined Residences deemed potentially eligible under the O'Hare Noise Contour include owner-occupied, rentals and multi-family dwellings and are consistent with the Fairness Policy incorporated in O'Hare Commission Resolution 2006-3;

WHEREAS, the O'Hare Commission desires to provide the current owners of the Declined Residences identified in Exhibit A with an opportunity to participate in the Program by incorporating them with their nearest "Regional Groupings" as

described in O'Hare Commission Resolution 2006-3, and, should their owner(s) determine to participate in the Program, each Declined Residence identified on Exhibit A will proceed through the Program along with the other homes in its respective Regional Grouping, subject to the same eligibility standards and protocols applicable to other homes within its respective Regional Grouping;

WHEREAS, in the 2007 Program Year, the O'Hare Commission desires to continue the practice of block-rounding, as first adopted in 2001, to sound insulate those homes on both sides of the street and up to the next intersection or street change, provided that the Declined Residences are on a block where an individual home is within the 65 DNL of the O'Hare Noise Contour;

WHEREAS, the O'Hare Commission determined that no dwelling (e.g., single family home or multi-unit dwelling building) for which a building permit for new construction is or was obtained after September 30, 2005 (Eligibility Date) shall be eligible to participate in the Program;

WHEREAS, the O'Hare Commission finds that the list of homes attached as Exhibit A, identifies the residences that are eligible for participation in the 2007 Program Year, and achieves the goals set forth above.

NOW THEREFORE, be it hereby resolved by the O'Hare Commission that:

1. The above recitals are incorporated by reference as if expressly set forth herein;
2. Subject to available funding, the 2007 Program Year should offer sound insulation to Declined Residences listed on Exhibit A to this resolution;

Passed: This 7th day of December, 2007
